

CONTROL COBRA (CREAM)

Brand: DNS

Price: \$54.95

Description

- Stainless steel (STAINLESS STEEL) material is powder coated, it combines robustness and colorful color.
- SCREW type angle adjustment device designed to find your own fine angle is applied.
- You can use the powerful back-end reaction (BACKEND REACTION) because you can smooth your wrist movements.
- It is a product for the bollard which enlarges the cuffing to obtain a large angle.
- With a soft lining on the inside of the wrist protector, you can minimize the irritation on the area where the skin touches, and you can enjoy sweating quickly and enjoy the bowling with a pleasant feeling.
- The auxiliary pad on the wrist strap inserts germanium to help activate the body function and strengthen the grip.
